**** Meet representatives from Colleges & Universities all over the country! ****

The *Regional Admission Counselors of California* and *Clovis High School* are proud to present this special program for the **parents and students of Clovis.**

Join Admission Counselors from over 35 colleges and universities from around the country, as they take you on an inside *tour of how college decisions are made*. You will review four college applications, and be part of a mock admissions committee that makes decisions on the applications. You'll review transcripts, school profiles, test scores, essays, recommendation letters, and more, to determine which students will be admitted to the fictitious "Redbrick University."

Learn from admissions professionals *how applications are reviewed*, what is most important in your application, and tips on how to best represent yourself in the admission process.
