

## CANDIDATE REVIEW FORM

Use this form to make notes about the candidates. Consider all information available for each of the three rating sections. Academic information is available in the application, secondary school report, transcript, and school profile. Be sure to consider GPA (note trends), test scores, curriculum (course selection), etc. Activities are found in the application, essay and supplements - consider leadership and commitment. Personal traits can be found in the application, recommendations, and writing samples. Is the applicant academically qualified and is the applicant a good fit for PSU? Make notes to help you present the applicants to the Admission Committee.
